Application No. 1024

Consolidated Docket No. 400

By Order Nos. 1819 and 1821, served March 21 and 27, 1978, respectively, the Commission authorized reissuance of Certificate of Public Convenience and Necessity No. 26 to Airport Limo, Inc., subject to certain conditions. The certificate, issued concurrently herewith, authorizes charter operations pursuant to contracts with Northwest Airlines, Delta Airlines and National Airlines. All conditions specified in said Order Nos. 1819 and 1821 have been satisfied, except that no contract between Airport Limo, Inc., and National Airlines has been filed.

By letter filed April 5, 1978, applicant has advised the Commission that administrative requirements of National Airlines prevent immediate filing of said contract. Airport Limo, Inc., therefore requested that Certificate No. 26 be issued minus the National Airlines authority. For reasons of administrative economy, the Commission shall issue the entire certificate, but will treat applicant's letter as a request for suspension of the National Airlines authority.

THEREFORE, IT IS ORDERED:

1. That the authority conferred by Certificate of Public Convenience and Necessity No. 26, as reissued to Airport Limo, Inc., on the date of service hereof, to engage in charter operations pursuant to contract with National Airlines be, and it is hereby, suspended until further order of the Commission.

*/ Only that portion of Application No. 1024 dealing with service pursuant to contract with National Airlines is considered in this order.

2. That in all other respects said Order Nos. 1819 and 1821 are continued in full force and effect.

FOR THE COMMISSION:

GREGORY PAUL BARTH
Acting Executive Director
